SUPPLIER SELECTION & MANAGEMENT REPORT®

Published monthly by the Institute
of Management & Administration, Inc.
29 West 35th Street, New York, NY 10001

ISSUE 04-06

www.ioma.com

JUNE 2004

Request/Bid energy sourcing tool enables buyers to take control of their energy supply procurement decisions. EnergyWindow, Inc. (Boulder, Colo.; www.energywindow.com) displayed a comprehensive suite of information technology-based tools and energy industry expertise to help businesses manage every element of their energy supply cycle. Included is an online request/bid system for energy procurement; a real-time, online energy market database that tracks the best opportunities for energy procurement; and an energy management information system that allows energy managers to track and analyze their company's energy usage.

IOMA

The Institute of Management & Administration (IOMA) publishes a broad range of business information services to provide mid- and upper-level managers with information, tools and advice for improving the day-today operation of their departments. Our content services are delivered to clients using a variety of mediums: Print; Internet; Audio; and Trade Show. Each information service brings you complete coverage of the hottest issues in your field—and proven strategies from industry leaders to help you manage them. IOMA is part of BNA (the Bureau of National Affairs), the country's largest employee-owned media organization and the nation's foremost source of Legal and Tax data. For more information about IOMA's print and electronic subscription programs or for more details about reprinting or republishing IOMA content, please call: 212-576-8741; e-mail: content@ioma.com; or visit www.ioma.com
